COFFEEHOUSE™

The health and well-being of our customers, our coworkers, and our communities is important to us.

In light of COVID-19 and as a precaution, we are suspending the use of personal travel mugs in our cafes. We anticipate this is a temporary measure.

If you have your mug with you, we will happily extend our offer of providing your drink for the price of a small drink, in a compostable paper cup.

We have been advocating for and creating incentives to reduce single-use cups for over 25 years. We will continue to do so as we are able.

Thank you.
